CAPTAIN PIERCE OF THE MATSON LINE FINDS SHIPMENTS FROM HILO SUCCESSFUL.

HILO, Sept. 3 .- An interesting series of experiments in banana shipping has been carried on recently by Captain G. H. Pierce, agent of the Matson Line in Hilo. He has been interested in finding out just what kind of bananas are the best for shipping to the Coast and has found this out by the process From San Fran., per Persia, Sept. 11. of sending different varieties, at the From Colonies, per Moana, Sept. 18. same stage of growth, in the same shipment. Reports as to the condition of the different shipments on arrival have been carefully kept and these reports confirm all that has been said of the superior qualities of the Bluefields banana.

"The three bunches of Bluefield bananas you sent up as an experiment are turning out fine," wrote his San Francisco correspondent in reference to the most recent shipment. "If this variety of fruit can be cultivated and grown in your section there would be a fortune in lt."

Captain Pierce is not exactly looking for the predicted fortune along the banana route but he does find the outlook encouraging when such fruit as the Bluefields banana can be shipped quarantine to Brewer's wharf, 5:50 am. to San Francisco and find a ready market in spite of severe opposition. Incidentally there have been experiments as to the best methods of shipplng and it has been found that with careful handling fruit arrives in better condition if it is unwrapped than it does if wrapped. Of course the chances, of injury to unwrapped fruit are greater as the smallest braise will quickly produce a black spot but with the exercise of care this danger may

In the opinion of the Matson Line agent there will be a ready market for Hawali and Maui ports, 5:10 a.m., with the hardy Bluefields in San Francisco at all times when properly shipped.

The Hilonian has a new third officer this trip. Second Officer Harrison left the vessel at San Francisco and Third Officer Peterson was promoted, making

room for O. F. Oldenberg. Among the passengers leaving in the Hawaii and Maui ports: Kau, Bishop Evans brother of Al Evans the busy purser of the steamship. Al did not know his brother was here and the meeting was a pleasant surprise to
